FLEET

DRIVE **GREEN**

Ford produces vehicles that are fuel-efficient AND fun to drive.
No need to sacrifice one for the other.

DRIVE **QUALITY**

From virtual design and testing to assembly-line process,
Ford vehicles are designed and built for quality.

DRIVE **SMART**

Thoughtful design and purposeful technology that provide convenience,
entertainment and enhance the overall vehicle experience.

DRIVE **SAFE**

Accident avoidance or protection in an accident – either way,
our safety systems provide peace of mind.

The images in this brochure depict selected models of the vehicle. They have been chosen to give a general overall impression of the vehicle and may include features or optional equipment not necessarily released for use in any specific market. The specifications detail the models and features available in your market and were correct at the time of printing. Ford Motor Company's policy is one of continuous product development. Therefore, Ford reserves the right to change the specifications and colors of any models and items shown in this publication at any time. It is important to check with your local Ford Dealer for the latest information on models available for order in your market. Comparisons are based on 2010 competitive models. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. • SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. • SYNC: Driving while distracted can result in loss of vehicle control. To avoid driver distraction, only use mobile phones/MyFord Touch/MyLincoln Touch and other devices, even with voice commands, when it is safe to do so. • Always wear your safety belt, secure children in the rear seat and follow airbag warning label instructions. • Colors are representative only. See your dealer for actual paint/trim options. • Alcantara is a registered trademark of Alcantara S.p.A., Italy. • Allison Transmission is a trademark of Allison Transmission, Inc. • The Bluetooth word mark is a trademark of the Bluetooth SIG, Inc. • Brembo is a trademark of Brembo S.p.A. • Bridge of Weir is a trademark of Bridge of Weir Leather Company Limited. • Cummins is a registered trademark of Cummins Inc. • DEWALT is a registered trademark of The Black & Decker Corporation. • DuPont and Kevlar are trademarks or registered trademarks of E.
