PowertrainCARE

29 Key Components Covered

Drive On for Kilometers.

Nobody buys a vehicle thinking about the repairs they'll need ... but life happens. That's where your Ford Protect PowertrainCARE protection comes in. It extends coverage from the New Vehicle Limited Warranty that comes with your vehicle, and covers 29 key components for up to 8 years or up to 300,000 km.

With Ford Protect PowertrainCARE Extended Service Plan, you can protect your vehicle for up to 8 years or up to 300,000 kilometers.

That's well beyond the New Vehicle Limited Warranty that comes with your vehicle. With the high cost of parts and unexpected repairs that come with owning a vehicle, it just makes sense to protect your investment with Ford Protect PowertrainCARE.

The numbers, well, they speak for themselves:

Choose the \$0 deductible option and you'll PAY NOTHING for any covered repairs!

There's nothing like buying a new car. It looks good. It runs great. And, of course, it has that new car smell. We want you to have that feeling with your new Ford vehicle for many kilometers to come. That's why we've created the Ford Protect PowertrainCARE Extended Service Plan. So you can drive on with confidence, long after that new car smell has faded away.

Ford Protect is 100% transferable.

Your Ford Protect PowertrainCARE Extended Service Plan is transferable, so if you ever decided to sell your vehicle, the new owner can take advantage of the same great coverage. This added benefit may help attract potential buyers, plus it could bring an increased resale value for you.
